

Capability Statement

ThermaServe is a customer driven South East Regional Independent Commercial and Industrial HVAC & Mechanical Systems Services Company specializing in large tonnage chillers serving North Florida and South Georgia. Founded in 2000 by the Royer family, the company has over 250 years of combined technical experience on major manufacturer's equipment including Trane, York, McQuay, and Carrier. With a personal commitment to our customers, our experienced technicians are licensed, factory trained, and provide preventive maintenance services, emergency services, and retrofits for your existing systems.
